POLICY  GUIDE TO INFORMATION	
MPS	Model Publication Scheme
	Produced by the SIC – this details all of the information that those subject to FOISA should publish (if they hold it)
Guide to Information	A guide that all organisations subject to FOISA and adopting the MPS must produce to help people access the information it makes available
Classes of Information	Nine broad categories describing the types of information authorities should publish (if they hold it).

#### 1.0 INTRODUCTION

- 1.1 The Freedom of Information (Scotland) Act 2002 (FOISA) requires that all housing associations/co-operatives in Scotland must produce and maintain a publication scheme. This must detail all of the key information that we publish and how you can access it. This Guide to Information is our publication scheme, and contains links to where you can find all of the information listed online.
- 1.2 North View Housing Association has adopted the Scottish Information Commissioner's (SIC) Model Publication Scheme

### 2.0 THE MODEL PUBLICATION SCHEME PRINCIPLES

#### NORTH VIEW HOUSING ASSOCIATION

## **POLICY**

#### **GUIDE TO INFORMATION**

- 2.1 The MPS imposes six principles which govern the way we must make our information available through our Guide to Information: -
  - Principle 1: Availability and formats
  - Principle 2: Exempt information
  - Principle 3: Copyright and re-use
  - Principle 4: Charges
  - Principle 5: Advice and assistance
  - Principle 6: Duration

## 2.2 Principle One: Availability and formats

The information published through the Model Publication Scheme is, wherever possible, available on our website.

We offer alternative arrangements for people who do not want to, or cannot, access the information online or by inspection at our premises. For example, we can usually arrange to send information to you in paper copy although there will be a charge for this.

## 2.3 Principle Two: Exempt information

Whilst we will try to make all of the information we have detailed available, in rare cases there may be some information that we cannot make available. For example, sometimes if we were to publish certain Committee minutes, it could reveal personal details about an individual. This would be a breach of Data Protection legislation if we were to do so. When this is the case, we will remove any personal details before publication and highlight where and why we have done so.

## **GUIDE TO INFORMATION**

## 2.4 Principle Three: Copyright and re-use

Where we hold the copyright on our published information, the information may be copied or reproduced without formal permission, provided that:-

- it is copied or reproduced accurately,
- · it is not used in a misleading context, and
- the source of the material is identified.

## 2.5 Principle Four: Charges

All of the information listed is available on our website (unless stated), and completely free to access online. However, we understand that not everyone will have online access and where this is the case you can contact us to view this in our Office for no charge.

If you would like a printed copy of any of the information listed, or would like it in another format (like a CD Rom or memory stick) we will provide in that format for a small fee, which must be paid, along with postage costs, before we release the information. This fee will never exceed the total cost of providing the information to you and we will let you know any total cost in advance.

Our charges for providing any information detailed in this guide are summarised below:-

## **POLICY**

#### **GUIDE TO INFORMATION**

- Where information costs between £100 and £600 to provide you may be asked to pay 10% of the cost. That is, if you were to ask for information that cost us £600 to provide, you would be asked to pay £50 calculated on the basis of a waiver for the first £100 and 10% of the remaining £500.
- We are not obliged to respond to requests which will cost us over £600 to process. In such instances we will
  contact the requester to determine if it is possible to amend their request to reduce the cost to less than the £600
  threshold, or if the requester wishes us to proceed with their request on the condition that we charge £25 per hour for
  correlating the information when the £600 threshold is exceeded.
- In calculating any fee, staff time will be calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour.
- We do not charge for the time to determine whether we hold the information requested, nor for the time it takes to decide whether the information can be released. Charges may be made for locating, retrieving and providing information to you.
- In the event that we decide to impose a charge we will issue you with notification of the charge (a fees notice) and how it has been calculated. You will have three months from the date of issue of the fees notice in which to decide whether to pay the charge. The information will be provided to you on payment of the charge. If you decide not to proceed with the request there will be no charge to you.

### 2.5.2 Charges for Environmental Information

Environmental information is provided under the Environmental Information (Scotland) Regulations 2004 (EIRs) rather than the Freedom Of Information (Scotland) Act 2002.

We will charge £25 per hour to locate, retrieve and provide information in relation to EIR requests.

#### **GUIDE TO INFORMATION**

The information will be provided to you on payment of the charge. If you decide not to proceed with the request there will be no charge to you.

### 2.5.3 Charge for request for your own personal data

There is no charge for requesting your own personal data under the General Data Protection Regulation (GDPR) Subject Access Request.

We must provide a copy of the information **free of charge**. However, we can charge a 'reasonable fee' when a request is manifestly unfounded or excessive, particularly if it is repetitive.

We may also charge a reasonable fee to comply with requests for further copies of the same information. This does not mean that we can charge for all subsequent access requests.

The fee must be based on the administrative cost of providing the information.

Further information on GDPR can be found on the Information Commissioner's Office <u>website</u>. Our Data Protection Policy is available at https://www.nvha.org.uk/media/1600/data-protection-policy-review-426.pdf
