North View Housing Association aims to encourage participation by its tenants, and other people who live in the area and are interested in the association's work.

As per our Rules, membership is open to our tenants, our service users, and those who have an interest in our work. Those applying must also be 16 years of age and over. Our Rules are available on our website, or you contact the Office for a copy.

The cost of membership is the purchase of a £1 Share. This is a Lifetime Share that is not refundable on termination of Membership, and it does not pay any interest, dividends, or bonuses. Membership will be terminated in accordance with the conditions and criteria set out in our Rules. Shares cannot be held jointly - joint tenants of the association may each become individual members. No Member can hold more than one Share. Membership entitles you to attend and vote at the Annual General Meeting (AGM) and any Special General Meetings we have, nominate others for election to the Management Committee, and to participate generally in the work of the association.

To apply for membership, please complete the details overleaf and forward this application form with your £1 Share fee (which will be returned to you if the Management Committee do not approve the application)

Whilst it is the association's aim to encourage Membership, the Management Committee has absolute discretion in rejecting applications on the grounds set out in

our Rules. Your application will be considered by the Management Committee as soon as reasonably practical after it's receipt by the association. No applications will be considered within the period of fourteen days before the date of the AGM. If your application is approved, you will immediately become a Member and your name, address and date of joining will be included in the Register of Members within seven working days. You will then be issued with your Share Certificate, a copy of our Rules, and a Member's Fair Processing Notice.
